Volunteer Services

Volunteering at UH Richmond Medical Center is exciting with new challenges and the need for services that only a volunteer can provide. Volunteers are an integral part in our effort to deliver the best healthcare possible.

The Volunteer Group is a small close-knit group. Each volunteer who is present for four hours receives a meal in the UH Richmond Medical Center Café with a \$6.50 limit. A Volunteer Appreciation Luncheon is held each year. Rewards and gifts are presented at that time. We also have one activity per year outside of the hospital.
