

Cuyahoga County Airport Runway 6/24 Safety Area Improvements – Project 1

Public Meeting

The Cuyahoga County Department of Public Works is hosting an Open House for informational purposes on Wednesday, January 27, 2016 from 5:00 pm to 7:00 pm to discuss the Cuyahoga County Airport Runway 6/24 Safety Area Improvements – Project 1.

The general contractor is Mark Schaffer Excavating & Trucking and they will be present.

This meeting will take place at the Cuyahoga County Airport, 26300 Curtiss Parkway, Richmond Heights, Ohio 44143.

The first phase of the runway's safety area improvement program will consist of earthwork, grading, and drainage installation. All work is to be completed on airport property. Construction is scheduled to begin in February 2016 and to be completed in July 2016. There will be temporary impacts to Richmond Road during construction as trucks will be crossing the road to access airport property on both sides of the roadway. A maintenance of traffic plan has been coordinated with the City of Richmond Heights and flaggers will be present at all times during work hours.

All residents who have questions, concerns, or simply want information on this project are encouraged to attend this public meeting.

If you have any questions, concerns, or comments regarding this meeting and the project, please call the Department of Public Works at 216-348-3838, Monday thru Friday 8:30 to 4:30.
