

Otium Financial Planners

Presents

Brandon Smith Social Security Administration Public Affairs Specialist

Social Security is part of the retirement plan of almost every American worker. If you are among the 96% of workers covered under Social Security, you should know how the system works. You should also know how much you will receive from Social Security when you retire. This seminar explains:

- How you qualify for Social Security benefits
- How your earning and age can affect your benefits
- What you should consider in deciding when to retire
- Why you should not rely only on Social Security for all your retirement income
- Along with any other questions you may have
