

MAYOR'S REPORT  
FEBRUARY 2015

We are pleased to once again welcome AARP to our Community Center to assist our residents with their federal and state income taxes. Over the course of the next ten weeks, they plan to service over one hundred residents with their tax preparation. They do a fine job to ease the burden of tax completion and I hope many residents get to take advantage of these services.

Our City Newsletter will be making its way to the doors of all households over the next few weeks. In this issue, I have submitted the budget message which reconfirms the fine job we are doing. Once you have had a chance to read this, feel free to get more information on our city website at [www.willoughbyhills-oh.gov](http://www.willoughbyhills-oh.gov). All of the Finance Department's financial reports and budgets are online for easy access and viewing.

We still anxiously await the opening of Dunkin' Donuts which has passed through all of the necessary Planning Commission requirements. Once the weather breaks, it will be about sixty days before we can patronize Dunkin' Donuts for coffee and pastry.

Our Service Department appears to be at the tail end of snow plowing and will now begin work on patching some of the potholes throughout the City. Remind to drive slowly until we can complete this never ending task.

Our nine-member Charter Review Commission will begin Public Hearings for our residents to bring any Charter concerns to them for review. In addition, once Public Hearings have ended, residents are always welcome to speak in Public Portion of regularly scheduled Charter Review Commission meetings. Their meeting schedule is on the City website. They will probably be holding meetings through the month of June or July to prepare ballot issues for the November election.

As February closes, let me remind you, as I did in our City Newsletter that the Recreation Commission and Willoughby Hills' Lions Club Pancake Breakfasts will be starting soon. It is a great opportunity to get out and see your neighbors after a long winter. Hope to see you there.
