

MAYOR'S REPORT
JANUARY 2015

January served to keep our Service Department very busy with snow removal. While the month started out slowly, it did not take long for us to get the plows on the road and start using our salt allocations. Please remember to try to keep the fire hydrants and your mailbox free of snow accumulation. For our cul-de-sac residents, please try to keep the snow away from any cul-de-sac island and, if accumulation does occur, notify our Service Department so they can remove some of the snow before buildup occurs. All of these helpful hints should provide for a safer winter for our residents.

Please join me in welcoming Jennifer Greer, a resident of Loreto Drive, to our City Council. She will serve as our District 1 representative and is filling the unexpired term of former Councilman Frank Germano. Jennifer looks forward to bringing some positive energy to the Council table and has vowed to do her best once Committee assignments are finalized.

Our City Newsletter will be going out soon. It contains some helpful information about our budget, Police Department scam warnings and various community events. I am pleased that some of our churches and businesses contributed to this issue to invite our residents to their events, as well. Please remember the importance of supporting the churches and businesses in our community.

Clover Development continues to work on the construction of the Senior Apartment complex. I have not been advised that the move-in dates have been moved up; however, I will keep you posted as any news comes our way. Right now, the target date to move in is "Spring of 2016." Brochures on this project are available at City Hall.

I have been asked to deliver our State of the City address at two locations and invite anyone who is interested to be a part of the event:

Willoughby Western Lake County Area Chamber of Commerce – Thursday, 3/26/15
at 11:30 a.m. at Pine Ridge Country Club. Please call 440-942-1632 for reservations.

Willoughby Rotary Club – Monday, April 13, 2015 at noon. at La-Vera.
Please visit www.willoughbyrotary.org for reservations.

In closing, I will remind you to drive safely during these winter months. Visit our website for updates on projects and events.
