

MARC'S (Multi Agency Radio Communication) Information Sheet

1. Leave the radio ON at ALL Times – Do not UNPLUG – Leave on ALERT Channel
2. Press either emergency button in the event of an ARMED INTRUDER ONLY
3. Once Emerg. Button is pressed the Microphone will automatically open for 10 seconds for you to speak via 2 way radio directly with police. Following the 10 seconds depress the microphone button to be heard.
4. State the following information clearly: How Many? Where in the Building? Dispatchers are already aware of your location and school address.
5. All 54 school buildings in Lake County have a MARC's radio
6. If activated by accident – clearly state "FALSE ALARM, FALSE ALARM, FALSE ALARM during the initial 10 seconds of open microphone time.
7. A testing scheduled will be developed by the Lake County Emergency Operations Center – we will communicate the schedule to you.
8. If another school (any of the 54) activates the button YOU will see a bright strobe light flash and YOU will hear the 10 second open mic transmission. Please advise your Administrator in the event this occurs
