

MAYOR'S REPORT
SEPTEMBER 2011
By Mayor Robert Weger

With Fall Corn Fest behind us, we are reminded of the power of Mother Nature. With rain most of the week prior to the event, all activities were moved inside for our attendees to enjoy. Thanks to the Fall Corn Fest Committee who worked to provide an excellent festival, filled with fun, entertainment and food. The parade and fireworks were cancelled, but hopefully will return in 2012. Tickets for the 2011 Chevy Cruze will continue to be sold until enough tickets are sold to cover the cost of the car. Many ticket buyers anxiously await that announcement, so I encourage everyone to take one more \$20 chance on this beautiful car!

Work on Eddy Road continues, with the project completion date still on schedule. The road is no longer closed, but we appreciate your patience as you may travel through this construction area during their working hours. Delays will be kept to a minimum.

We are happy to welcome CVS to the Community Center on September 20, October 4, October 18 and November 15 to do flu shots. CVS will process your insurance coverage for the \$22 fee. The flu shot clinics will run from 11 am to 2 pm on the dates listed above. No appointment is necessary.

I remind all residents and friends to attend two great events in Willoughby Hills – our Fall Craft Fair on Saturday, October 8 and our Halloween Party on Saturday, October 22. These are both free events and offer a great time for you and your family. Come out and see the beauty of fall in our city!
