

## MAYOR'S REPORT NOVEMBER 2015

Special thanks to all of our voters who came out on Election Day. I am happy to serve another term as your Mayor for the City of Willoughby Hills and appreciate your support. I look forward to making the city even better and stronger.

This month we welcomed Lee Tobin, Willoughby Hills resident, as our volunteer Art Gallery curator. Lee replaces John Davis, who had established the Gallery but no longer had the time to devote to this arduous task. Lee will be responsible for scheduling the artists for each show, coordinating the show and reception and working to continue to keep the Gallery a showcase of art talent. We welcome Lee and are confident that she will do a good job in this new role.

This month also saw a successful Veterans Day Ceremony, with Veterans Memorial Commission Chairman Larry O'Donnell "leading the charge" to honor our veterans. Willoughby-Eastlake School Superintendent Steve Thompson was the keynote speaker and paid a beautiful tribute to men and women who have served our country with honor. It certainly made us stop and think about the commitment our servicemen and women give to the United State of America to keep us safe and strong. Thanks to all who attended and participated.

In closing, this is a month of giving thanks and I want to give special thanks to our City Hall employees who work hard every day to make our city a better place for our residents. From our safety forces with excellent police and fire skills, our Service Department who strive for excellence in making our residents comfortable in their homes, to the Recreation Department for creating and executing programs that enhance our life experiences, to all of the City Hall Administration who answer numerous calls daily for our residents, thank you, thank you, thank you. I appreciate the job you have done to make my job easier over the past eight years and look forward to continuing to provide for our community.

Best wishes to all for a Happy Thanksgiving!
