

Free Legal Access Hotline

Every Member of the Pool is eligible to receive up to 90 minutes of free legal consultation per year!

What is it?

Authorized PEP member representatives seeking legal consultation services may now call the *PEP Legal Access Hotline* to request up to 90-minutes of free advice, guidance, or information on various legal subject matters. An independent team of legal professionals is ready and available to professionally and promptly support and service the legal inquiries of our members.

How does it Work?

An independent team of legal professionals is available to provide prompt legal support to answer PEP Member's legal inquiries. Members are invited to call the hotline and provide a brief description of the nature and extent of the service requested. Upon authorization, the caller's information will be routed to a full-service law firm for an attorney to contact the member directly. If a member desires to extend service beyond the allocated time, additional service may be provided pursuant to PEP's Legal Access program at the Member's direction.

Where do I Access?

Call the hotline any time at **877-250-5545** to take advantage of this valuable and complimentary legal service!
