Interoffice Memo

Date: Monday, February 15, 2016

To: All members of Council, Council Clerk Victoria Savage,

From: Mayor Robert M. Weger

Subject: Ordinance to Accept Limestone and Asphalt Bids

A bid opening was held on Friday, February 12, 2016, in response to our ad for our 2016 Asphalt and Limestone Program. A summary of all of the bids that were submitted is attached. Road Superintendent Mark Grubiss has requested that we accept the following as the lowest and best bid and I respectfully request that Council prepare an ordinance to allow me to accept the following bids:

Asphalt Bid and Limestone Bid presented by Osborne Concrete & Stone

I would appreciate your consideration in passing this ordinance with an Emergency Clause which would eliminate thirty days from signing and allow us to begin road repair that much sooner. In addition, you may consider waiving the three-reading rule to once again allow for the paving to begin sooner.

cc: Mark Grubiss, Road Superintendent
