ARTICLE I

PREAMBLE

1.01 This Agreement is hereby entered into by and between the City of Willoughby Hills, Ohio, hereinafter referred to as the Employer, and the Ohio Patrolmen's Benevolent Association, hereinafter referred to as the Union or OPBA.

ARTICLE II

PURPOSE AND INTENT

2.01 In an effort to continue harmonious and cooperative relationships with its employees and to insure the orderly and uninterrupted efficient operations of government, the Employer now desires to enter into an agreement reached through collective bargaining which will have for its purposes, among others, the following: (1) To recognize the legitimate interests of the employees of the Employer to participate through collective bargaining in the determination of the wages, hours, terms and conditions of their employment; (2) To promote fair and reasonable working conditions; (3) To promote individual efficiency and service to the citizens of The City of Willoughby Hills; (4) To avoid interruption or interference with the efficient operation of the Employer's business; and (5) To provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

ARTICLE III

RECOGNITION

3.01 The Employer hereby recognizes the Union as the sole and exclusive bargaining agent with respect to wages, hours and other terms and conditions of employment, as provided by the State Employment Relations Act, for all full-time employees employed in the Police Department occupying the positions of Sergeant, excluding all part-time, seasonal, temporary and probationary employees. All other employees of the Employer are excluded from the bargaining unit. Said recognition shall continue for a term as provided by law.

ARTICLE IV

DUES DEDUCTIONS AND AGENCY SHOP

4.01 During the term of this Agreement, the Employer shall deduct regular monthly Union dues from the wages of those employees who have voluntarily signed dues deductions authorization forms permitting said deductions. The dues deductions shall be made from the first and second paychecks of each month. If the employee's pay for that period is insufficient to cover the amount to be deducted, the Employer will make the deduction from the next paycheck, providing the employee's check is sufficient to cover the deduction.

4.02 The Employer agrees to supply the Union with a list of those employees for whom dues deductions have been made.

4.03 A check in the amount of the total dues withheld from those employees authorizing a dues deduction shall be tendered to the Treasurer of the Union within thirty (30) days from the date of making said deductions.

4.04 All employees covered by this Agreement who have completed sixty (60) days of employment with the Employer or upon completion of sixty (60) days of employment with the Employer, and have not become OPBA members, shall pay a fair share fee, not to exceed the OPBA's regular monthly dues as a condition of employment with the Employer.

4.05 The Union hereby agrees to hold the Employer harmless from any and all liabilities or damages which may arise from the performance of its obligations under this Article and the Union shall indemnify the Employer for any such liabilities or damages that may arise.

ARTICLE V MANAGEMENT RIGHTS

5.01 Not by way of limitation of the following paragraph, but to only indicate the type of matters or rights which belong to and are inherent to the Employer, the Employer retains the right to: (1) hire, discharge, transfer, suspend and discipline employees; (2) determine the number of persons required to be employed, laid off, or discharged; (3) determine the qualifications of employees covered by this Agreement; (4) determine the starting and quitting time and the number of hours to be worked by its employees; (5) make any and all rules and regulations; (6) determine the work assignments of its employees; (7) determine the basis for selection, retention and promotion of employees to or for positions not within the bargaining unit established by this Agreement; (8) determine the type of equipment used and the sequence of work processes; (9) determine the making of technological alterations by revising either process or equipment, or both; (10) determine work standards and the quality and quantity of work to be produced; (11) select and locate buildings and other facilities; (12) establish, expand, transfer and/or consolidate work processes and facilities; (13) transfer or subcontract work; (14) consolidate, merge, or otherwise transfer any or all its facilities, property, processes or work with or to any other municipality or entity or effect or change in any respect the legal status, management or responsibility of such property, facilities, processes or work; (15) terminate or eliminate all or any part of its work or facilities.

5.02 In addition, the Union agrees that all of the functions, rights, powers, responsibilities and authority of the Employer in regard to the operation of its work and business and the direction of its workforce which the Employer has not specifically abridged, deleted, granted or modified by the express and specific written provisions of this Agreement are, and shall remain, exclusively those of the Employer.

ARTICLE VI NO-STRIKE

6.01 The Union does hereby affirm and agree that it will not either directly or indirectly call, sanction, encourage, finance or assist in any way, nor shall any employee instigate or participate either directly or indirectly, in any strike, slowdown, walkout, work-stoppage, or other concerted interference with or the withholding of services from the Employer.

6.02 In addition, the Union shall cooperate at all times with the Employer in the continuation of its operations and services and shall actively discourage and attempt to prevent any violation of this Article. If any violation of this Article occurs the Union shall immediately notify all employees that the strike, slowdown, work-stoppage, or other concerted interference with or the withholding of services from the Employer is prohibited, not sanctioned by the Union and order all employees to return to work immediately.

6.03 It is recognized by the parties that the Employer is responsible for and engaged in activities which are the basis of health and welfare of its citizens and that any violation of this Article would give rise to irreparable damage to the Employer and the public at large. Accordingly, it is understood and agreed that in the event of any violation of this Article, the Employer shall be entitled to seek and to obtain immediate injunctive relief, along with the Union indemnifying and holding the Employer harmless from any and all costs arising from the violation of this Article.

6.04 The Employer's finding of violation of this provision is subject to the Grievance Procedure, but if an arbitrator finds a violation has occurred, the arbitrator has no authority to modify the discipline, up to and including discharge, of the employee committing the violation.

6.05 The Employer agrees not to lock-out any employees during the term of this Agreement.

ARTICLE VII NON-DISCRIMINATION

7.01 The Employer and the Union agree not to unlawfully discriminate against any employee(s) on the basis of race, color, creed, national origin, age, sex, or handicap.

7.02 The Employer and the Union expressly agree that membership in the Union is at the option of the employee and that they will not discriminate with respect to membership and non-membership.

ARTICLE VIII PROBATIONARY PERIOD

8.01 All newly hired employees will be required to serve a probationary period of twelve (12) months. During such period, the Employer shall have the sole discretion to discipline or discharge such employee(s) and any such action shall not be appealable through any grievance or appeal procedure contained herein or to any Civil Service Commission.

8.02 If an employee is discharged or quits while on probation and is later rehired, he shall be considered a new employee and shall be subject to the provisions of paragraph 8.01.

ARTICLE IX SENIORITY

9.01 Seniority shall be defined as an employee's uninterrupted length of continuous employment with the Employer. A probationary employee shall have no seniority until he satisfactorily completes the probationary period which will be added to his total length of continuous employment.

9.02 An employee's seniority shall be terminated when one (1) or more of the following occur:

- (a) He resigns;
- (b) He is discharged for just cause;
- (c) He is laid-off for a period of time exceeding thirty-six (36) months;
- (d) He retires;
- (e) He fails to report for work for more than five (5) working days without having given the Employer advance notice of his pending absence, unless he is physically unable to do so;
- (f) He becomes unable to perform his job duties due to illness or injury and is unable to return to work upon the expiration of any leave applicable to him;
- (g) He refuses to recall or fails to report to work within fifteen (15) working days from the date the Employer sends the employee a recall notice to the address currently listed on the Employer's records.

9.03 If two (2) or more employees are hired or appointed on the same date, their relative seniority shall be determined by the drawing of lots.

9.04 Employees shall be assigned a regular schedule with the same two (2) consecutive days off each week. Seniority shall be considered in designating employee days off. The City reserves the right to change work schedules for operational reasons, but shall not arbitrarily and capriciously change schedules. To the extent practical, the City will implement schedule changes so as to avoid assigning an employee to work six (6) or more consecutive days when the schedule changes.

9.05 With regard to third party outside jobs, the Employer and the Union shall mutually develop a policy for distribution of such outside jobs and paid directly by the third party. Such policy shall remain in effect for the term of the Agreement unless mutually modified by the parties.

9.06 The City shall comply with current Article IX of the collective bargaining agreement, specifically paragraph 9.01 "Seniority shall be defined as an employee's uninterrupted length of continuous employment with the Employer." (The Employer means the City of Willoughby Hills and specifically excludes all other entities.) A probationary employee shall have no seniority until he satisfactorily completes the probationary period which will be added to his total length of continuous employment with the Employer. Lateral transfer hires are required to complete the new hire contractual probationary period, described in Article VIII of the collective bargaining agreement.

ARTICLE X LAY-OFF AND RECALL

10.01 Where, because of lack of work or lack of funds, the Employer determines it necessary to reduce the size of its workforce, such reduction shall be made in accordance with the provisions hereinafter set forth.

10.02 Employees within effected jobs titles shall be laid off according to their relative seniority (within the bargaining unit) with the least senior being laid off first. For the purposes of this Article, department or bargaining unit shall mean the various positions included in the Recognition Article of this Agreement. For every one (1) full-time sergeant being laid off, the Employer will lay off two (2) part-time sergeants.

10.03 Employees who are laid off from one job title may be displaced (bump) another employee with lesser seniority in a lower related job title within the Department.

10.04 Employees who are displaced (bumped) by a more senior employee shall be able to displace (bump) another employee with lesser seniority in a lower rated job title pursuant to the provisions of paragraph 10.03, above.

10.05 In all cases where an employee is exercising his seniority to displace (bump) another employee, his right to displace (bump) into another job title is subject to the conditions that he is qualified for the position and able to perform the functions and duties of the position to which he is attempting to displace (bump) into.

10.06 At the end of the displacing (bumping) process, the employee who is displaced (bumped) and unable to displace another employee pursuant to the above provisions shall be laid off.

10.07 Employee(s) who are laid off shall have the option of displacing (bumping) another employee pursuant to the above provisions, or being directly laid off by the Employer.

10.08 Recalls shall be in the inverse order of lay-off and a laid-off employee shall retain his right to recall for thirty-six (36) months from the date of his lay-off.

10.09 Prior to any Layoffs, the Mayor and/or his designee shall meet and confer with Union representatives to notify the Union of pending layoffs. Notice of recall shall be sent to the employee's address listed on the Employer's records and shall be sent by certified mail. An

employee who refuses recall or does not report to work within fifteen (15) working days from the date the Employer mails the recall notice, shall be considered to have resigned his position and forfeits all rights to employment with the Employer. Employee(s) scheduled for lay-off shall be given a minimum of fifteen (15) calendar days advance notice of lay-off.

10.10 The City shall comply with the lay-off procedure described in Article X, regardless of any employee's service with another employer prior to that employee being hired by the City of Willoughby Hills Police Department. Any future lateral transfer new hires shall be placed at the bottom of the seniority list and move up on that list only in the event of even newer hired patrol officers. In the event of a lay-off situation, the seniority time for lateral transfer hires shall only include continuous, uninterrupted service with the Willoughby Hills Police Department's Sergeant Bargaining Unit and shall specifically exclude any other service time outside of Willoughby Hills Police Department Sergeant Bargaining Unit.

ARTICLE XI LABOR-MANAGEMENT COMMITTEE

11.01 In order to provide for a means of better communication and understanding between the Union and the Employer, a Labor-Management Committee has been previously established. The Committee will consist of no more than two (2) representatives of the Union and two (2) representatives of the Employer.

11.02 The Committee will meet on a quarterly basis unless such meeting is waived by mutual consent of the two (2) parties. Subjects for the meeting will be matters of mutual discussion at such meetings. Matters pertaining to issues of labor interest may be raised by the parties. Meetings will be held at a mutually agreed time and place with each party submitting specific items for discussion at least one (1) week before the schedule meetings.

11.03 The Labor-Management Committee will continue to study the need for acquiring new body armor for bargaining unit members. The study may include consideration of the types of body armor, testing, frequency of replacement, circumstances when replacement is warranted, and development of a program for replacement if deemed appropriate.

ARTICLE XII BULLETIN BOARD

12.01 There shall be established and maintained for the duration of this Agreement a Union Bulletin Board on the station premises. It will be available to authorize Union representatives to post notices of general and business nature of the Union membership and other Department employees who may have an interest.

ARTICLE XIII JURY SERVICE

13.01 Employees summoned for jury service shall be fully paid at their regular rates of

compensation when required to serve as jurors. All fees paid to such full-time employees for jury service shall be remitted to the Director of Finance. If such full-time employee is released from jury service at or prior to noon, on any day, such employee shall be required to perform his duties for the Employer for the remainder of such day. At no time shall overtime be paid as a result of jury service.

ARTICLE XIV MILITARY SERVICE

14.01 Employees who are members of the Ohio National Guard, the Ohio Defense Corps, the Ohio Naval Militia, or members of other reserve components of Armed Forces of the United States are entitled to leave of absence with pay from their respective duties for such time as they are in the military service on field training or active duty for periods not to exceed one hundred seventy six (176) hours in any one (1) calendar year. The compensation set forth in this provision is in addition to any military pay received by the employee.

ARTICLE XV DISCIPLINARY ACTION

15.01 No bargaining unit member shall be reduced in pay or position, suspended, removed, or reprimanded except for just cause. The principles of progressive disciplinary action will be followed with respect to minor offenses. The progression, where appropriate, may include an oral reprimand, a written reprimand, and a suspension.

15.02 At any time an inquiry concerning a bargaining unit member occurs wherein disciplinary action of record (reprimand of record, suspension, reduction or removal) will or may result, the member will be immediately notified that such result is possible. The employee shall be informed of the right to confer with a representative from the OPBA.

15.03 Prior to all disciplinary hearings, the member will receive from the Employer a written statement of all charges and specifications. At the hearing, the charged bargaining unit member will be allowed to present his defense.

15.04 The Employer will notify the affected member of any changes or of any decision reached as a result of a departmental hearing prior to any public statement.

15.05 The Union on behalf of all the employees covered by this Agreement and its own behalf, hereby waives any and all rights previously possessed by such employees to a Safety Director's Inquiry or to appeal any form of disciplinary action (i.e., suspensions, demotion or discharge) to any Civil Service Commission.

15.06 Every member shall be allowed to review his personnel file at any reasonable time upon written request to the Chief of Police, and in the presence of the Chief of Police or his designated representative. If, upon examining his personnel file, any bargaining unit member has reason to believe that there are inaccuracies in documents contained therein, he may write a memorandum to the Safety Director explaining the alleged inaccuracy. If the Safety Director concurs with the member's contentions, he shall either remove the faulty document or attach the

member's memorandum to the document in the file and note thereon his concurrence with the memorandum's contents. If he does not concur with the contentions of the member, he will attach the written memorandum to the document in the file without comment.

15.07 Prior to any discipline involving time off being imposed, the employee shall be given the opportunity to appeal through Step 3 of the Grievance Procedure contained in Article 34 of the Agreement.

ARTICLE XVI DUTY HOURS AND OVERTIME PAY

16.01 Employees shall receive overtime pay at the rate of one and one-half times (1 ½) their current hourly rate of pay, which shall include employee's longevity compensation, for all hours worked in excess of their daily shift, be it in eight hour, ten hour or twelve hour shifts. This overtime rate of one and one-half times (1 ½) is equal for cash payment in payroll and compensatory time off.

16.02 Employees may, at the time overtime is accrued, elect to be compensated for the overtime in either cash payment, paid during normal payroll, or receive equivalent compensatory time off. Requests for compensatory time off will follow the same Departmental procedures for all other requested time off. No compensatory time off may be taken without the approval of the Chief of the Police or his designee.

16.03 Overtime worked by an employee shall, at the employee's option, be credited to a compensatory bank at the rate of one and one half hours (1.50) for each hour of overtime worked. Employees shall be able to accrue compensatory time to a maximum of one hundred eighty (180) hours at any point in time.

- (a) An employee shall have the right to use the compensatory time as time off, subject to the Police Department's staffing needs as determined by the Police Chief or Safety Director and the rules and regulations governing the scheduling of vacation and holiday leave.
- (b) Any accrued compensatory time in excess of the one hundred eighty hour maximum shall be paid out to the employee in the next pay after the overage occurs if not taken as time off. All compensatory hours paid shall be using the first-in, first-out (FIFO) method of accounting for the compensatory time earned. All compensatory time used as paid time off shall be accounted for using the last-in, last out (LIFO) method of accounting.
- (c) The Police Chief shall maintain a record of each employee's accrued compensatory time showing when the time was earned. Such record shall be available for inspection by the employee after providing a written request to the Police Chief.

- (d) On an annual basis, the employee shall have the option of “cashing out” any or all of the unused accrued compensatory time earned by and credited to the employee as of the end of the last pay period ending in October of that year. Any time not “cashed out” by the employee shall be carried over to the next year.
- (e) To “cash out” unused compensatory time, the employee must submit a request to the Director of Finance by the last day in October indicating the amount of compensatory time that the employee wishes to cash out. If the last day in October falls on a weekend, then the deadline for filing the request shall be the first business day in the month of November.
- (f) After verifying the accuracy of the employee’s pay-out request, the Finance Director or his/her designee shall issue a separate check or direct deposit to the employee by no later than the Friday following the first pay dated in November.
- (g) It is understood that due to IRS rules and regulations governing supplemental payments, the compensatory time pay-out check may be subject to higher withholding rates than a normal payroll. The decision of the Finance Director regarding the methodology chosen to implement the IRS rules shall be final.

16.04 An employee, who, upon resignation, death or retirement, has accumulated overtime due him or her shall be paid for such accumulated overtime at the current salary rate in effect on the day of separation from employment.

16.05 Employees who are required to appear in court or for court call-ins, shall receive a four (4) hour minimum in pay, or one and one half (1 ½) times the actual time spent. For other call-ins, employees shall receive a minimum of three (3) hours pay or one and one-half (1 ½) times the actual time spent. Pay premiums for all required or scheduled training or recertification is at a minimum of three (3) hours (i.e. range, BAC Datamaster, CPR recertification, etc).

16.06 Employees may trade all or part of a scheduled shift with other employees, provided that all traded hours are paid back within the pay period in which the trade occurs. The term “paid back” means that if Employee A works eight (8) hours for Employee B, Employee B must work all eight (8) hours for Employee A by the conclusion of that same pay period. There shall be no permanent shift assignments for sergeants.

16.07 Because of the nature of their job assignment, Employees assigned to the Detective Bureau shall work a flexible schedule within an eighty (80) hour pay period. All time worked beyond eighty (80) hours within a two-week pay period shall be paid at the overtime rate of pay of one and one-half times (1 ½) their current hourly rate of pay, which shall include the Employee’s longevity compensation.

ARTICLE XVII PERSONAL DAYS

17.01 Each employee shall be allowed to use 40 hours of sick time per calendar year as personal days. Scheduling of sick days as personal days shall be subject to prior written approval of the Department Head of the employee requesting such days and to existing rules and regulations of the Department.

17.02 A lateral transfer hire may be entitle to use forty (40) hours of sick time per calendar year as personal days in accordance with paragraph 17.01.

ARTICLE XVIII UNIFORM ALLOWANCE

18.01 Each full-time officer and sergeant shall be allowed one thousand one hundred and fifty dollars (\$1150) as a uniform allowance to be paid in full the Friday following the first pay date in May of each year. Compensation for this uniform allowance will be added to the employee's regular payroll check or regular payroll direct deposit, unless employee provides written notification to the Finance Director (at least 30 days prior to payment issuance) that compensation should be separate from payroll distribution. If employee opts to have compensation separate from payroll distribution, it will be issued on the opposite week of payroll. If no notification is made to Finance Department (30 days prior to payment issuance), payout will be made with employee's regular payroll. It is understood that due to IRS rules and regulations governing supplemental payments, the separate check may be subject to higher withholding rates than normal payroll.

ARTICLE XIX VACATION

19.01 Each employee shall be entitled, by virtue of his employment, to a vacation with pay based upon the following schedule:

<u>Years of Continuous Service</u>	<u>Hours of Paid Vacation</u>
After 1 year	80
After 5 years	120
After 10 years	160
After 15 years	200
After 20 years	240

19.02 For the purpose of determining the number of vacation days to which each employee is entitled, the anniversary date of his full-time employment shall be used as the date determinative of the length of service. However, any employee, initially employed by the City prior to July 5, 1987, who has been previously employed by the State of Ohio, or any of its political subdivisions, is entitled to have such prior employment counted for the purpose of computing vacation; such employee shall be entitled only to service credit for each pay period during which the employee actually worked.

Any full-time employee of the City, initially employed by the City on or after July 5, 1987, shall have only prior employment within the City of Willoughby Hills counted for the purpose of computing vacation.

Effective January 1, 2014, continuous time worked for the City shall be counted for purposes of vacation leave accrual and selection.

19.03 The City will determine whether and how many employees may be gone on vacation at any one (1) time. With respect to vacation requests submitted before January 31st,

employees will have preference for available vacation time in order of seniority. Vacation requests submitted after January 31st will be approved on a first come, first served basis. This provision also shall govern selection of time off by employees who elect to take holidays as vacation under Section 20.03.

19.04 All vacation time earned shall be used prior to such employee's next following anniversary date or it shall be forfeited, and such vacation time shall not be cumulative nor shall compensation be paid in lieu thereof. Employees shall have the option in their last year prior to retirement separation to receive cash payment for any or all unused accrued vacation time for that year. Payment shall be received upon separation from service. Employee must make this election to the City Finance Department one month prior to his or her date of separation. In the event the employee dies during employment with the City, such payment for unused vacation time shall be paid to his or her lawful heirs or if no heirs exist, to his or her estate.

ARTICLE XX HOLIDAYS

20.01 Each employee, after one (1) year of continuous service, shall be entitled to eleven (11) paid holidays each year. The holidays are to be paid at the regular rate for such full-time employees and are to be allowed in accordance with the schedule set forth in paragraph 20.02, hereof, to be effective as of the first day of each calendar year. Employees who actually work on New Year's Day, Good Friday, Easter, Memorial Day, Forth of July, Labor Day, Thanksgiving and Christmas shall be paid one and one-half (1 ½) times their regular rate of pay for hours worked. Effective January 1, 2007, employees who actually work on Presidents Day and Veterans Day shall be paid one and one-half (1 ½) times their regular rate of pay for hours worked. Compensation for these hours worked will be added to the employee's regular payroll check or regular payroll direct deposit.

20.02 The paid holidays for employees each year shall be as follows:

New Year's Day	Easter Day	Labor Day	Christmas Day
Presidents Day	Memorial Day	Veterans Day	Personal Day
Good Friday	Fourth of July	Thanksgiving Day	

20.03 Compensation for the aforesaid holidays may be taken as vacation at the regular established rate of hourly or monthly compensation; or as an alternative, an employee entitled to such holidays may submit a voucher approved by the Chief by November 15th of each calendar year for compensation for those holidays provided in paragraph 20.02 hereof. (Such compensation to be payable by December 1st). If an employee has not taken the time off by December 31st or has not submitted a voucher by the cutoff date listed herein, then said employee shall forfeit any holiday compensation. Compensation for these hours will be added to the employee's regular payroll check or regular payroll direct deposit, unless employee provides written notification to the Finance Director (at least 30 days prior to payment issuance) that compensation should be separate from payroll distribution. If employee opts to have compensation separate from payroll distribution, it will be issued on the opposite week of payroll. If no notification is made to Finance Department (30 days prior to payment issuance),

payout will be made with employee's regular payroll. It is understood that due to IRS rules and regulations governing supplemental payments, the separate check may be subject to higher withholding rates than normal payroll.

20.04 A lateral transfer hire may be entitled to eleven (11) paid holidays each year commensurate with their current years of equivalent full-time police service as it correlates to the current schedule listed in paragraph 20.02.

ARTICLE XXI SICK LEAVE

21.01 Each employee shall be entitled, for each completed eighty (80) hours of regular straight time service, to sick leave of four and six-tenths (4.6) hours. However, in computing the total of eighty (80) hours, no deduction shall be made for absence of an employee due to illness or injury to the employee, which illness or injury shall be established by the evidence required by paragraph 21.04 or due to paid vacations or legal holidays. Overtime hours worked by any employee shall not be included in the calculation of sick leave credit.

21.02 Unused sick leave may be accumulated for a total of one hundred fifty (150) work days (1200 hours maximum), provided that additional sick leave may, in individual cases upon recommendation by the Mayor and approval by Council, be granted for a period not to exceed an additional ninety (90) days.

21.03 When approved by the Department Head, an employee may use sick leave for absence due to illness, injury, exposure to contagious disease which could be communicated to other employees, and to illness or death in the employee's immediate family. However, no employee shall be entitled to sick leave, or compensation therefore, unless he first furnishes an affidavit satisfactory to the Department Head showing the duration of his absence and that such absence was a result of one of such causes and, in addition, if the Department Head so requires, a certificate of attending physician likewise satisfactory to the Department Head, confirming the facts recited in such affidavit. If such absence extends for more than seven (7) consecutive days, such an affidavit and such a certificate, if the Department Head requires the latter, shall be furnished on each seventh (7th) day of the absence. Nothing contained in this paragraph shall be construed to authorize sick leave with pay for any sickness or accident resulting from moral turpitude, intoxication or use of narcotics.

21.04 Sick leave credit shall be effective only during the time an employee is an employee of the Employer and no employee shall be entitled to compensation in any form or any unused sick leave credit remaining upon the termination of his employment with the Employer. However, the previously accumulated sick leave of an employee whose employment with the Employer has been terminated may, with the approval of the Mayor, be placed to his credit in the event of his re-employment by the Employer within a period of three (3) years from the date of his last employment by the Employer.

21.05 Upon the retirement, death or injury resulting in total and permanent disability of any employee, there shall be paid an amount representing any previously accumulated sick leave at the employee's then current rate of compensation as follows:

12

- (a) In case of retirement, to the employee, "retirement" under this provision means the employee must be pensionable at the time of separation, i.e., eligible for age and service retirement or disability retirement;

- (b) In case of death, to the employee's surviving spouse, if any, who was living with the employee or dependent upon him for support at the time of his death, or if there is no such surviving spouse, to the dependent children, including adopted children, of the employee or for their use to their legal guardian or guardians or to the person or persons who, as determined by the Mayor, were dependent upon the employee for support or for their use to their legal guardian or guardians or to the person or persons with whom they are living. The determination of the Mayor as to the person or persons entitled to receive any payment in accordance with this subsection shall be final and neither the Mayor nor the Employer nor any other officer or employee thereof shall be required to see to the proper expenditure of any such payments.
- (c) In case of injury resulting in total and permanent disability to perform the work for the Employer for which the employee was employed, to the employee or for his use to the guardian or conservator of his estate, if any, or to the person or persons having custody and care of the employee, if any, provided that the determination of the Mayor as to the person or persons entitled to receive any payment in accordance with this subsection shall be final and neither the Mayor nor the Employer nor any other officer or employee thereof shall be required to see to the proper expenditure of any such payment.

21.06 Each employee who has accumulated in excess of ninety (90) days sick leave shall be entitled to receive payment for the excess of those days at the ratio of one (1) day for each three (3) sick-leave days so accumulated. Such payment to be made upon written request to the Director of Finance, and upon such request, the Employer shall make such payment at the current rate of the then current rate of compensation for such employee on the next scheduled payroll date.
