Interoffice Memo

Date: Wednesday, December 24, 2014

To: Council President Ray Somich, Council Clerk Victoria Savage,
Council Members

From: Mayor Robert M. Weger

Subject: Police Department Position

I have met with Police Chief Collins to discuss his proposal to create a full-time "Community Service Officer" in the Willoughby Hills Police Department. I concur with his decision to create this position and request Council approval for the proposed Position Description and Pay Ranges.

This position will include, but not be limited to include, "crime prevention activities, community relations and education programs, court and jail officer duties, evidence custodian, traffic enforcement and general patrol duties under exigent circumstances." The court and jail officer duties are currently performed by Officer Jim Ours on a part-time basis. The other duties are randomly assigned to other individuals as the workload permits. Chief Collins and I discussed making Officer Ours an offer to accept this position, giving him a full-time employment opportunity to continue the fine, dedicated work he has shown over his many years of service to the City, as well as enhance the community relations and education programs in our current Police environment and offer the custodial component to our Police evidence. Chief Collins has budgeted for this position in his 2015 Police Department planning.

I would like to propose the pay range to be \$23.12 per hour to \$27.04 per hour. This would take into consideration the highest point of a part-time police officer (Officer Ours' current rate of pay) to the contracted 2015 rate of pay for a Step 1 Police Officer. This would take us through the next contract negotiations. I could then start him at a rate of pay up to 10% over the \$23.12 which would be a pay increase for him. I would not offer longevity credit for his part-time service, however, nor consider part-time

service in calculating vacation or sick pay. I believe the creation of this position in this manner would be good for the employee and good for the City.

I believe the establishment of this position will promote our Police Department in a positive manner and appreciate Council's approval of this position at its earliest convenience.

Thank you.
