- Village of
 - Fairport Harbor
 - Grand River
 - Kirtland Hills
 - Lakeline
 - Madison
 - Perry
 - Timbertake

Commissioners, the City of Willoughby Hills has requested funding assistance for the Eagle Road Drainage Improvement. This project will consist of re-routing stormwater drainage to a series of additional catch basins that will be connected to an existing storm sewer. Currently the runoff flows down a slope off of Eagle Road and is causing significant erosion along the edge of the roadway.

The City Engineer has estimated the cost of this repair at \$42,900.00.

Please accept this memorandum as a request and recommendation to reimburse the City of Willoughby Hills for this improvement project.

If you have any questions, please do not hesitate to contact me. Thank you for your consideration of this request.
