

Share the spirit of the season with your friends in Willoughby Hills and neighboring communities by sponsoring a holiday greeting card. This is a great opportunity for businesses to show their support in the City of Willoughby Hills. Christmas Card Lane is an illuminated outdoor display of over-sized holiday cards, located at the Willoughby Hills Community Center, 35400 Chardon Road in Willoughby Hills.

Lighting commences December 1 through New Year's 2013!

Being a part of Christmas Card Lane in Willoughby Hills can be a fun tradition for a family or business. The first year you can have your card created and then every year thereafter it can automatically be put on display as part of our holiday illumination.

There are two ways you can get a card made:

- 1) Obtain a 4'X 8' (vertical or horizontal) board, with a smooth finish (sturdy plywood or other weather resistant material). Paint it with your favorite holiday decorations and family or business name.

Submit it to the City of Willoughby Hills with a \$35 application fee.

The City will provide 2 metal supporting poles, one spotlight, space of 6 to 10' and installation of card.

- 2) Select a vinyl design from a vendor. The City can provide you with a name of vendors who are able to provide the artwork and completed sign. You can include your family or business name. Fee for the vinyl sign and 4'X 8' board is approximately \$150.00. The application fee of \$35 is submitted with the application form once the card is complete.
