Interoffice Memo

Date: Monday, March 24, 2014

To: All members of Council, Council Clerk Victoria Savage

From: Mayor Robert M. Weger

Subject: Ordinance to Accept Limestone and Asphalt Bids

Please prepare an ordinance to allow me to accept the following bids:

Limestone Bid presented by Ontario Stone Corporation

Asphalt Bid presented by Osborne Concrete & Stone

A summary of all of the bids that were submitted and opened today is enclosed for your review. Also, is Nate's memo recommending these two companies to do the work.

I would appreciate your consideration in passing this ordinance with an Emergency Clause which would eliminate thirty days from signing and allow us to begin road repair that much sooner. In addition, you may consider waiving the three-reading rule to once again allow for the paving to begin sooner.

Gloria,

I would recommend to the Mayor that we accept the Stone bid from Ontario Stone Corporation and the Asphalt bid from Osborne Concrete and Stone. Although Osbornes pickup price was slightly higher, the delivered price was less. This would help us if we do pave a larger project by having it delivered. It will not matter much on smaller quantities that we may do patching with.

Please disregard my previous email attachment and replace it with the one that is hereby attached. The previous one had last year's heading on it and it has now been changed to read "2014". Sorry for the inconvenience.
