

MAYOR'S REPORT
NOVEMBER 2010

The election is over and Issue 3 has passed. Thanks to all of the voters who supported this Issue, which will serve to provide funding for our safety forces. We have wonderful police and fire personnel who are pleased to be able to continue their excellent services to our residents.

We continue to work on our budgets for 2011 and will work diligently to make good decisions moving forward to make our residents proud. Our Independent Performance Audit Task Force continues to assist us in this regard and we look forward to their final report at the end of the year.

Congratulations are in order for the Willoughby Hills Cowboys Football Team. These fine coaches and players claimed the first place trophy last week at a playoff game in Chardon. We were proud of the hard work the team did in order to claim this prize.

Thanks to Larry O'Donnell for his work on our Veteran's Day ceremony. It promises to be a great tribute to our servicemen and women.

We are currently taking basketball applications and hope that many will sign up to enjoy playing for the City of Willoughby Hills this year.

Please join us for Breakfast with Santa and Christmas Card Lane lighting in December. This is a great time to visit with your neighbors and friends. It marks the beginning of the holiday season and reminds us to get ready for 2011.

In closing, I want to thank the Safety First Committee and support of the residents on the recent passage of Issue 3. Your confidence in the Administration is appreciated.
