NOTICE OF TRAFFIC PATTERN CHANGE

WILLOUGHBY-EASTLAKE SCHOOLS OPENS THE *SCHOOL OF INNOVATION*

On August 19, 2015, the former home of the Eaton Corporation located at 32500 Chardon Road, will reopen as the **WILLOUGHBY-EASTLAKE CITY SCHOOLS *SCHOOL OF INNOVATION***.

On opening day, the *School of Innovation* will welcome its inaugural class of 225 students in grades three, four and five. The school day will begin at **8:30 a.m.** and dismiss from school at **2:50 p.m.** and will follow the Willoughby-Eastlake School district calendar.

The students will be transported by Willoughby-Eastlake school buses and by their parents. Please be aware that there will be increased traffic at this location. You will notice updated signage to indicate the presence of a new **SCHOOL ZONE** as well as markings on the street. Your patience is greatly appreciated as our residents adjust to these changes.

We look forward to seeing you at our **Community Open House** on Tuesday, September 15 from 6:00 p.m. to 7:30 p.m.

Sincerely,

Stephen L. Thompson
Superintendent
