Residential Summer Sprinkler Program

The City of Willoughby Hills has authorized a program for eligible homeowners: which could reduce the costs paid for sewer charges each year during the months of May through September beginning in 2006.

Program

With your water bill, you are charged sewer fees which are based on your total use of water. With the Summer Sprinkling Program if you use more water during the summer months for sprinkling and other seasonal usage, your summer water bill will reflect a lower sewer usage based on a prorated consumption taking into consideration the difference between your usage in the winter months. This program applies to sewer charges only. You must still pay the Lake County Water Department for all the water used.

Eligibility

Residents who own and occupy a one, two, three or four unit dwelling excluding condominiums and apartments, and are tapped into the sewers are eligible to participate in this program.

Administrative Fee

A **one time** administrative fee of \$20.00 payable by cash or check must be submitted with the completed Residential Summer Sprinkling Program Application below. Applications must be received by April 30, of each year.

=====

To participate in the City of Willoughby Hills Residential Summer Sprinkling Program complete and return the application by or no later than April 30, along with the one time administrative fee of \$20.00 made payable to the **City of Willoughby Hills.**

If you have any questions please call the City Hall at (440) 946-1234.
