

Where Residents Are First

Fall 2012

## MAYOR'S REPORT

By Mayor Robert M. Weger

The hot days of summer are pretty much behind us and we can look forward to a cooler fall. With this, of course, comes our Fall Corn Fest in the City of Willoughby Hills. Last year's festival was plagued by some severe rain, but our great group of volunteers is eager to put together a great community festival for 2012.

This year's Fall Corn Fest will feature Cleveland Clinic's 5K Run, Walk for WHISPER, Serne & Son & Willoughby Hills Auto's Classic Car Show, a great parade to kick off the festivities, Live Entertainment (Joey Tomsick and the JTO, Midlife Crisis, Lost State of Franklin and Willoughby Hills' native and Nashville star Suzie Oravec), carnival games and concessions, Corn Hole Tournaments, Fireworks, Willoughby Hills Fall Quilt Exhibit, a Historic Bus Tour of Willoughby Hills and much more. In addition to the carnival concessions, Texas Roadhouse is preparing fabulous steak and chicken dinners and La-Vera Party Center and Catering is serving a fantastic fried chicken dinner – both very affordable and a wonderful treat for the whole family. Pre-sale ticket purchases for these dinners will guarantee a delicious meal. This two-day event will take place from Saturday, Sept. 8, 2012 through Sunday, Sept. 9, 2012 at Willoughby Hills Community Center and the City Hall Complex. A complete list of events, applications and ticket information can be found at [www.whcornfest.com](http://www.whcornfest.com).

I want to dedicate this issue of our City Newsletter to showcase the events that will take place during Fall Corn Fest. The support of residents, businesses and other festival sponsors is the sole financial resource for this community event. I urge your support to continue this family tradition in the City of Willoughby Hills.

Our next issue of the City Newsletter is planned for January 2013. Please refer to our website at [www.willoughbyhills-oh.gov](http://www.willoughbyhills-oh.gov) or WHTV on cable channel 12 or U-verse channel 99 to follow any news or updates in the interim. If any questions or concerns arise between now and then, please feel free to call my office and I will be happy to respond to your needs in my effort to keep "Residents First."

In closing, I encourage all of our residents and friends to come to Fall Corn Fest and enjoy autumn in the City of Willoughby Hills.

A handwritten signature in black ink that reads "Robert M. Weger".

## FLU SHOTS FOR SENIORS

We have arranged for CVS to offer Flu Shot Clinics at Willoughby Hills Community Center Senior Room, 35400 Chardon Road:

Tuesday, September 18, 2012 • 11am to 2pm

Tuesday, October 16, 2012 • 11am to 2pm

CVS will process the paperwork for payment by the senior's insurance carrier. Most carriers are accepted by CVS. The fee will be sent directly to the accepted insurance carrier for payment, without any liability to our seniors.

No registration is required...just walk in. On both dates, you are welcome to join the Senior Potluck Luncheon in the Senior Room where the flu shots will be given. *Mark your calendars now!*

## CONSTRUCTION UPDATES

We have two bridge projects currently underway in the City of Willoughby Hills. The first is the State of Ohio's Dept. of Transportation's project to replace the Maple Grove bridge over I-90. This work is due to be completed by October 31, 2012. The work has been going well for the contractors (Great Lakes Construction Company). The steel beams are scheduled for arrival on August 2, 2012, when the majority of the work will be done at night until the beams are safely secured. Lane closure will be at a minimum, as safety allows, to avoid problems for motorists.

The second bridge project is the repair of a slope failure on Rogers Road. The contractor, Marous Brothers Construction, hopes to have this completed by the end of July.

Your cooperation and patience is appreciated during this bridge construction.

## PROTECT YOURSELF FROM THEFT

*By: Police Chief Christopher Collins*

In these tough economic times and with a growing drug dependent population, we're seeing an alarming increase in thefts from cars and homes. These desperate criminals are looking for easy opportunities to steal money, jewelry, guns and other items of value they can trade or pawn to support their criminal lifestyles and drug habits. They make quick entry into cars and homes; often the car burglaries are at night and the home burglaries are during the day. We as a community need to stay alert and take steps to protect ourselves and our neighbors. We'd like to suggest the following.

1. Stay alert and report any suspicious activities, people, or vehicles. Don't ever hesitate to call the police department; we're here to protect, serve and respond to any requests for assistance around the clock.
2. Keep your valuables in a safe place in your home and not obvious locations like the bedrooms. Often this is the first place burglars go to knowing valuables are often kept there. Safety deposit boxes are recommended for valuable and irreplaceable items.
3. Have an up to date inventory documenting valuable items to include photographs, videos, receipts, and other important documents that may provide the value, purchase date, description and proof of ownership. Keep a few copies of your inventory, photos, etc. in multiple safe places or with other family members.
4. Keep your home and cars locked at all times, even when home. Keep your garage doors closed and locked. Don't leave your keys in your cars even if parked in a locked garage. Consider keeping lights on inside and outside your home. Outside motion security lights are popular.
5. Don't allow unsolicited sales people or strangers into your home and never allow them into areas of your home or property unattended, i.e. to use your bathroom. Often criminals will work in pairs and try to separate from each other once they make contact with you. Or they may return to your home later if they gather information on your personal schedule.
6. "The Buddy System" - notify your friends and neighbors you trust when you're out of town for any length of time. Contact the police department with this information and provide local contact persons who would be available to help with any problems while you're gone.
7. Consider a home security alarm system that provides services for police, fire and ambulance.
